A LIFE CARE SERVICES® COMMUNITY

Dear Friend of Walnut Place,

We are pleased to announce our community has been purchased by the industry-leading senior management firm, Life Care Services®, An LCS® Company—so it deserves a second look!

**Greater Resident Satisfaction.** Ownership offers greater authority and flexibility to make the necessary decisions that ensure a community you may have considered in the past will be even better equipped to offer more resident benefits, hospitality and satisfaction in the future.

**Proven Management Expertise.** Life Care Services has more than four decades of proven experience, ensuring the satisfaction and well-being of residents nationwide—and it's served our community since 2014. The management firm has established relationships with local health care professionals, hospitals and other service providers in case you or your loved one ever needs care inside or outside our community.

**Planned Community Improvements.** You can expect the kind of changes that residents, staff and guests truly notice. Renovation and beautification projects will include updates to:

- Common areas
- Dining
- Residential apartments
- Exterior entrances and grounds

**Exceptional Lifestyle Benefits.** We know you have a choice when it comes to senior living options. The many benefits of our community, and sister communities in the area, now are strengthened by new ownership and a solid commitment to our region. You can count on exceptional hospitality services, industry-leading care and a dedication to helping you—or someone you love—live life to the fullest.

**Schedule a personal visit to learn more at (214) 361-8923**

In a no-pressure, no-obligation chat, we'll discuss what new ownership means for you or someone you love.

Sincerely,

Dusty Davis  
Executive Director
