

WALNUT PLACE IS RATED

by the Centers for Medicare and Medicaid Services (CMS).

For more than three decades, Walnut Place has earned the reputation, respect, and trust of families throughout the Dallas area.

Now we've earned the trust of CMS, too.

Proven Post-Acute Care

Walnut Place helps patients quickly recover whenever short-term skilled nursing or rehab care is recommended. When patients are recovering from an illness, injury or surgery, our attending physicians and clinicians oversee all care.

Goal-Driven Expertise

Patients achieve the highest level of function and medical recovery possible to accelerate the transition from hospital to home. Transitional specialties include:

- Medicare-certified health care community
- 24/7 registered skilled nursing
- Physical, occupational, and speech therapy
- VitalStim/Ultra Sound expertise

Care-Intensive Treatment

As patients recover from serious illness or surgery, Walnut Place provides close monitoring of complex chronic conditions or additional pain management as required. Clinical capabilities include:

- Comprehensive wound care
- Dobhoff tube and trach care
- Certified lymphedema therapy
- IV pain management
- LifeVest™ program support
- Diabetes management
