Award Winning Culinary Chef Preparing Home-Cooked Meals

At Walnut Place residents can look forward to nutritious and delicious meals. Here, meal services are prepared under the direction of the Culinary Chef who trained at the Culinary Institute of America Masterworks and won the Iron Chef DFW region for Compass Group. Residents enjoy personal menu selections on a daily basis. Special diets, as required, are routinely provided.

All Inclusive Rates

We realize the decision regarding your loved one's care is complex, so we have simplified the cost of assisted living to make it easier for you to plan ahead. The All-Inclusive rate means NO additional fees for any care! Walnut Place has simplified things, to make life easier on you. No more worries about added care fees or unexpected rate increases. The only additional expenses families should expect to incur are for personal amenities and services the senior might want, such as beauty/barber shop fees, pet fees, telephone, cable or transportation services.

Heartfelt CONNECTIONS™ Memory Care Program

For individuals living with Alzheimer's disease or other forms of dementia, *Heartfelt CONNECTIONS—A Memory Care Program*® promotes physical and emotional well-being, supports daily functioning and maintains a sense of satisfaction, dignity and quality of life.

The highly individualized memory care program starts with truly getting to know each resident. Our skilled, trained and compassionate team uses the insights gained from each life story to develop person-centered activities and programming for each resident.

Additionally, Walnut Place is a Music & Memory® Certified Care Organization. Grounded in extensive research, Music & Memory helps individuals living with a wide range of cognitive and physical challenges find renewed joy in life through musical favorites.
